

Dubliners Map Evaluation

Student:

Group/Stories:

NB: Please note that this rubric is holistic, not mathematical. It's just designed to give you an at-a-glance sense of how you did. Items marked (x2) weigh more heavily in my mind.

Please note that all of the points below apart from the reflection paper are marked the same for each member of the group.

	Strong	Acceptable	Weak	Unacceptable
15+ points of interest (x2)				
Quotations from text for points				
Media for each point				
Citations for media				
Path				
15- 20-minute presentation (x2)				
Discussion of patterns found				
Everyone participates <i>throughout</i> the presentation				
Reflection Paper (x2)				

General comments, for all group members:
