Student Comments

Note: Random ID's are assigned to students within each section and have no relevance outside of that section.

Semester	Course	Random ID	Question: Explained concepts effectively
Fall 2023	DIGHT 215	623470781844	Readings are appropriately challenging and push you to think in different ways.
Fall 2023	DIGHT 215	1031228464318	I was not completely sure about what he wanted us to take away from each lecture, before the midterm.
Fall 2023	DIGHT 215	781683203370	Went through difficult concepts and terms that were hard to understand.
Semester	Course	Random ID	Question: Well organized
Fall 2023	DIGHT 215	623470781844	Most information was on Dr. Croxall's blog and not Learning Suite which takes some getting used to, but it's very organized on the blog.
Fall 2023	DIGHT 215	1031228464318	I liked that all the content was laid out in the syllabus. I wish the assignments and directions were expressed early on. Such as when we had group presentations or projects due, so we could plan ahead.
Fall 2023	DIGHT 215	110164433243	Everything was pretty clear and he always explains why we are doing something.
Fall 2023	DIGHT 215	781683203370	I like the way the class is set up and I think the reading does prompt deep thinking and allows us to see what our classmates are thinking too.
Semester	Course	Random ID	Question: Opportunities to get help
Fall 2023	DIGHT 215	1031228464318	Extra credit assignment for coming into office hours. Great email communication.
Fall 2023	DIGHT 215	110164433243	I really appreciated how Professor Croxall was so quick to answer questions, emails, and work with students.
Fall 2023	DIGHT 215	274257682445	When we had questions, he answered them. That's what I look for.
Fall 2023	DIGHT 215	781683203370	When I had issues Professor Croxall was very willing to meet and get those issues sorted.
Fall 2023	DIGHT 215	903632141159	Dr. Croxall was always willing to help students inside and outside of class.
Semester	Course	Random ID	Question: Opportunities for student involvement
Fall 2023	DIGHT 215	623470781844	Lots of class discussion and hands-on projects.
Fall 2023	DIGHT 215	1031228464318	The class was based on class interaction.
Fall 2023	DIGHT 215	110164433243	The class was very participation based and I feel like everyone had ways to participate through the projects, blogging, comments, etc even if they didn't like speaking aloud in class. I actually heard from everyone in some way through the semester.
Fall 2023	DIGHT 215	274257682445	The assignments felt very related to what we were learning--they helped us learn as opposed to testing on what we had learned.
Fall 2023	DIGHT 215	781683203370	Provides all the necessary reading and asks meaningful questions in regards to those readings, and helps us make those connections to the bigger topic of the course.
Semester	Course	Random ID	Question: Responded to students respectfully
Fall 2023	DIGHT 215	1031228464318	Some of his responses to student's comments sometimes felt argumentative. I felt like he wanted to disagree sometimes and made that clear to the student.

Fall 2023	DIGHT 215	110164433243	I appreciated how Professor Croxall really responded to our feedback, adjusted assignments, and seemed to really take ideas from reflection into consideration.
Fall 2023	DIGHT 215	274257682445	Sometimes it seemed like he would make fun of students' comments.
Fall 2023	DIGHT 215	781683203370	Was very respectful towards my thoughts, and provided very insightful counter-thoughts if we had differing opinions.
Semester	Course	Random ID	Question: Spiritually strengthening
Fall 2023	DIGHT 215	1031228464318	Great!
Fall 2023	DIGHT 215	781683203370	If one our topics had a connection to spirituality, Professor Croxall did his best to help us understand that connection. I think he helped us understand why it's good to be well rounded in character so we can make those connections with beliefs different from our own.
Semester	Course	Random ID	Question: Intellectually enlarging
Fall 2023	DIGHT 215	623470781844	Did a great job of encouraging us to think about things in unique and challenging ways.
Fall 2023	DIGHT 215	1031228464318	Lots of reading. IMO maybe too much reading and work load for a three credit hour class.
Fall 2023	DIGHT 215	110164433243	Professor Croxall always encouraged us to analyze media and ideas deeper and in new ways which is one of my biggest takeaways from the class.
Fall 2023	DIGHT 215	781683203370	I really liked how the topics we discussed helped us think more deeply and be critical thinkers. I think that blindly following someone else's opinion without considering outside factors leads only to biased and one-sided thinking. There is no growth at all.
Semester	Course	Random ID	Question: Character building
Fall 2023	DIGHT 215	1031228464318	Lots of class discussions
Fall 2023	DIGHT 215	781683203370	I like that we can think about and discuss arguments that may be different from our own.
Semester	Course	Random ID	Question: Leading to lifelong learning and service
Fall 2023	DIGHT 215	623470781844	Encourages lifelong learning by teaching us the importance of exploration in topics that interest us.
Fall 2023	DIGHT 215	1031228464318	Lots of discussing digital humanities
Fall 2023	DIGHT 215	110164433243	It seems like Professor Croxall genuinely wants us to take what we've learned into the future and our other classes.
Fall 2023	DIGHT 215	781683203370	The emphasis on learning was definitely made, service maybe not so much just because we didn't talk about it too much from what I could remember. But I believe that Professor Croxall doesn't hate service.
Semester	Course	Random ID	Question: Hours spent out of class
Fall 2023	DIGHT 215	110164433243	Sometimes I thought the turnaround for readings from Tuesday to Thursday was a bit tight, but overall I always found this class very manageable. I think group work was assigned well to help even out larger assignments.
Fall 2023	DIGHT 215	274257682445	It was probably closer to 2.5 hours a week, but it was more when we had a project coming up.

Fall 2023	DIGHT 215	781683203370	time reading, time thinking about and writing my blog post, and time completing the projects and reflection papers.
Fall 2023	DIGHT 215	903632141159	A typical week with only readings was a little less than this. Sometimes projects took much longer.
Fall 2023	DIGHT 215	716515899812	More if there were assignments outside of the regular weekly ones, and this is just a rough estimate.
Semester	Course	Random ID	Question: Additional comments
Fall 2023	DIGHT 215	1031228464318	I believe that the class work and the reading were too much for a three-credit hour class. I liked this class and enjoyed the topics and what we discussed, it was just overwhelming. I wish we had more knowledge on the projects we had coming up, and a more set-in-stone study guide. But overall, I enjoyed this class a lot.
Fall 2023	DIGHT 215	110164433243	Honestly this was a great class. I enjoyed every unit except I wonder if Dubliners could be replaced with text that is more engaging and applicable. Other than that, I feel like everything was super interesting and relevant to things I see in my daily life. I appreciate how it helped me think of new ideas, learn about topics I wouldn't have thought of otherwise, and analyze the media I see/read every day in a new way. I can genuinely say that I will think about the things I learned in this class for a long time in the future which is always something I hope to take from a class.
Fall 2023	DIGHT 215	948713372624	This class is a fairly interesting and weird thing that allows for some fun interdisciplinary assignments. At times the readings are strange and confusing, and other times a little more English class than I intended, but they generally aren't very long. I could have missed this since class registration was so long ago, but I think including a mention of the cost to set up a website as required for the class in the course registration even though the fee doesn't go through the BYU financials would be in the best interest of students. Not sure who's in charge of that one. Overall the class has definitely been a chance to look at things differently and try things I would have otherwise never attempted.
Fall 2023	DIGHT 215	826064037329	I really enjoyed taking this class. The professor was very effective at teaching new concepts in a fun and engaging manner.
Fall 2023	DIGHT 215	435025123933	This was more of an English class than learning about the digital humanities and learning about different kinds of technology and how to use it in different ways to assist with analyzing things. I wish there would have been more of an introduction into the different tools and kinds of technology that is used commonly in the humanities. Feel like this class was a waste of time for the most part.
Fall 2023	DIGHT 215	781683203370	N/A
Fall 2023	DIGHT 215	303265944645	Good balance of challenging and easy. Projects have a wide variety and are interesting to complete.
