Semester	Course	Random ID	Question: Spiritually strengthening
Winter 2021	DIGHT 315	550623520080	Usage of the Book of Mormon helped in understanding projects
Semester	Course	Random ID	Question: Intellectually enlarging
Winter 2021	DIGHT 315	550623520080	Digital humanities = mind blown. Research in digital humanities = a place to be able to grasp the concepts of digital humanities
Semester	Course	Random ID	Question: Hours spent out of class
Winter 2021	DIGHT 315	550623520080	Mostly reading with the occasional paper and encoding
Semester	Course	Random ID	Question: Additional comments
Winter 2021	DIGHT 315	206156726388	The DD questions we were supposed to submit were a little confusing; I kept wanting to ask research questions, not discussion questions. I also didn't feel like the reports enhanced my understanding; I could have answered the questions in bullet points and gotten as much out of it, without the hassle of writing something I don't care about. Overall though the class was great!
Winter 2021	DIGHT 315	683261031726	I think this was one of my favorite classes this semester
Winter 2021	DIGHT 315	174537144990	This has been my favorite class in my entire time at BYU, with Professor Croxall as my favorite professor. Perhaps it was the small class size, but I felt really empowered in the learning process. I was actively learning new things, and my opinion always felt relevant to the discussions and our work. Professor Croxall is great at adapting to students' feedback.
Winter 2021	DIGHT 315	550623520080	He may come off as a horrible professor based solely on his text descriptions, yet he really is a great professor once you are able to participate in his class. I think he thinks worse of himself than he really is. He is one of the better professors I've ever had.
