Semester	Course	Random ID	Question: Explained concepts effectively
Winter 2022	DIGHT 315	348455854647	He was really good at walking us through difficult concepts. I also appreciated his humility when we were using tools that he wasn't completely familiar with.
Winter 2022	DIGHT 315	242621487752	There are somethings that I still don't understand, but to be fair he admits to not understanding some of the things we run our text files through.
Winter 2022	DIGHT 315	340387771196	A lot of this class is spent exploring tools that digital humanists use. Often, they're pretty complex and involve a lot of math (ew!). When trying to understand these challenging tools, Dr. Croxall often gave us advice on how to approach the readings and was the first to admit when he didn't completely understand how the tool did what it did. His approach helped me not feel like an idiot and encouraged me to keep trying and reading even when I was not confident.
Winter 2022	DIGHT 315	407626813214	It's hard to explain material when even the experts are like idk how it does it but it does, but Prof. Croxall did a good job trying to make complicated concepts clear.
Winter 2022	DIGHT 315	290778300506	The concepts and skills we learned in this class aren't easy to explain in any way, shape, or form. Dr. Croxall did a great job of explaining them and any chaos typically stemmed from the research and experimental nature of this class.
Semester	Course	Random ID	Question: Well organized
Winter 2022	DIGHT 315	348455854647	I always knew exactly what was expected of me.
Winter 2022	DIGHT 315	340387771196	This course had more a flexible schedule, but Dr. Croxall made sure to update us whenever things changed and gave us enough time to get through what we were learning.
Winter 2022	DIGHT 315	407626813214	Class was more well organized towards the beginning, but like everything in the semester was a bit more disorganized towards the end. That said, everything Prof Croxall did in class had a clear cut purpose and served to enhance our education.
Winter 2022	DIGHT 315	448021608278	Each successive unit builds off the previous ones pretty well.
Winter 2022	DIGHT 315	290778300506	The course is structured so it builds off each other. Some of the smaller projects at the end could be re-arranged if they needed to be, but there isn't necessarily an order those need to be in.
Semester	Course	Random ID	Question: Opportunities to get help
Winter 2022	DIGHT 315	348455854647	Super prompt at responding to emails, which is nice.
Winter 2022	DIGHT 315	242621487752	He's very easily reached by email and responds quickly. Also will help you during and after class and dedicates part of the class to questions on assignments.
Winter 2022	DIGHT 315	340387771196	Dr. Croxall quickly answered questions over email. His office hours were also helpful. I needed help parsing through my ideas for a paper, and he took the time to sit down with me, listen to my ideas, and give me suggestions.
Winter 2022	DIGHT 315	407626813214	Prof. Croxall made opportunities for students to ask questions, and always worked to explain things in ways that made things clear.
Winter 2022	DIGHT 315	448021608278	He urged us to email him/drop by his office if we had questions, and reserved time in class for questions regarding our ongoing project.

Winter 2022	DIGHT 315	290778300506	When someone did indicate a problem, he was very quick to help solve the issue or find another solution.
Semester	Course	Random ID	Question: Opportunities for student involvement
Winter 2022	DIGHT 315	242621487752	He believes in very hands-on learning and the discussion of the things learned.
Winter 2022	DIGHT 315	340387771196	A lot of time in class is given to the students in discussions. All the students were given many opportunities to lead discussions, contribute ideas, and ask questions.
Winter 2022	DIGHT 315	407626813214	lots of assignments that had clear goals and connected directly with the material. Also presentations, and group-discussions made participation easy.
Winter 2022	DIGHT 315	448021608278	In each unit we were given the opportunity for hands-on experience so that we could better understand the concepts.
Winter 2022	DIGHT 315	290778300506	It's a class of six and Dr. Croxall was very good at creating an environment in which we all felt comfortable engaging in discussion and learning with each other,
Semester	Course	Random ID	Question: Responded to students respectfully
Winter 2022	DIGHT 315	348455854647	Dr. Croxall could be super intimidating because he is a very smart man, but of all my professors at BYU I feel like he is the one who has treated me the most like an equal. I really appreciated his willingness to listen to us in class.
Winter 2022	DIGHT 315	340387771196	Dr. Croxall really respects his students and will listen to them.
Winter 2022	DIGHT 315	407626813214	Student opinions had a direct impact in class discussions, and Professor Croxall invited and listened to student opinions.
Winter 2022	DIGHT 315	448021608278	One of the best things about Croxall is that he treats us like adults with valid opinions.
Winter 2022	DIGHT 315	290778300506	As previously stated, this was an environment in which I felt I could share my opinions and discuss things freely.
Semester	Course	Random ID	Question: Spiritually strengthening
Winter 2022	DIGHT 315	340387771196	We did a unit of stylometry and read an article about its use on the Book of Mormon, which I found very interesting and compelling.
Winter 2022	DIGHT 315	407626813214	I mean, it's not a religion class.
Winter 2022	DIGHT 315	290778300506	There were several cool discussions about gospel-related principles
Semester	Course	Random ID	Question: Intellectually enlarging
Winter 2022	DIGHT 315	407626813214	I learned a number of skills that I think will benefit me in the future. If nothing else, I was exposed to new ideas and ways of approaching research that will be beneficial.
Winter 2022	DIGHT 315	290778300506	This class and the content was absolutely fascinating and Dr. Croxall does an excellent job with it.
Semester	Course	Random ID	Question: Character building
Winter 2022	DIGHT 315	407626813214	Prof. Croxall facilitated team activities and discussions, where we had to work together with our classmates.

Winter 2022	DIGHT 315	290778300506	He promotes team work and different ways of seeing the world.
Semester	Course	Random ID	Question: Leading to lifelong learning and service
Winter 2022	DIGHT 315	290778300506	I definitely learned skills I personally think are useful in the long run.
Semester	Course	Random ID	Question: Hours spent out of class
Winter 2022	DIGHT 315	242621487752	It varies per week, but I would say this is near average.
Winter 2022	DIGHT 315	340387771196	There are readings for every class, and they differ on length and the amount of brain power needed to understand them. Depending on the day, I'd spend between an hour to three doing that class's reading. This class also has some larger projects. I ended up cramming them in near the deadlines, but if a good student did the responsible thing and steadily worked on them, project work would take an hour to three for each week.
Winter 2022	DIGHT 315	407626813214	This is a total guess, it fluctuated week to week.
Winter 2022	DIGHT 315	290778300506	Most of this was spent working on the larger assignments we had due and the readings to come prepared to class. It was very manageable and flexible if there was a day or two where you were slammed.
Semester	Course	Random ID	Question: Additional comments
Winter 2022	DIGHT 315	348455854647	Dr. Croxall is one of BYU's best!! His curiosity and knowledge made me not even notice that some of the things we were learning how to do were inherently difficult or tedious. I was excited to come to class everyday.
Winter 2022	DIGHT 315	407626813214	Great class! I learned a lot, and had an enjoyable time. Prof. Croxall helped develop a healthy environment where I feel like all students were able to work together and share opinions without being nervous.
Winter 2022	DIGHT 315	448021608278	I love Croxall's teaching style.
